The Birla Institute of Management Technology (BIMTECH) was established in 1988 under the aegis of the Birla Academy of Art and Culture. Late Basant Kumar Birla, ex-chairperson of the Basant Kumar Birla Group of Companies and Late Sarala Birla, Ex-chairperson of the Birla Academy of Art and culture were the founders of BIMTECH.

The Institute is Governed by an Eminent board of Governors mostly drawn from the top echelons of the Industry. The institute is supported by the Basant Kumar Birla Group and Aditya Birla Group of Companies.

BIMTECH IS AACSB ACCREDITED

Accreditation by the US-based International Accrediting Body, i.e., Association to Advance Collegiate Schools of Business (AACSB), is considered to be the Gold Standard in Management Education. It is known worldwide as the longest-standing, most recognized form of specialized accreditation that an institution and its business programs can earn. AACSB Accreditation offers a framework of global standards by which business schools around the world evaluate the quality of their programmes. Less than 7 percent of the world's top b-schools have been accredited by AACSB so far.

B-School Rankings: Among the top private B-Schools in India

Ranked 10th Amongst private & 24th amongst all B-Schoosl by Business world

Ranked 17th Amongst top private B School in India - [Business today MDRA Best B-Schools Ranking 2023]

Ranked 61st in the Management Category in all India NIRF Ranking 2025 [NIRF National Institutional Ranking Framework]

ABOUT COOLS

BIMTECH, which is a 35-year-old premier B-school, endeavored to recreate the essence of the Post Graduate Diploma in Management through the Centre for Online Studies (COOLS). COOLS is BIMTECH's footprint to promote online higher education in and outside India through a collective apparatus of Online teaching, Learning, and Research. It also aims to impart the best theoretical knowledge, analytical, and technical skills to produce better future professionals. BIMTECH'S PGDM online is the only program in the country that is AACSB-accredited.

From the Director's Desk

It is with great pleasure and excitement that I extend my warm greetings to each member of the BIMTECH family. I am deeply honoured to lead such a distinguished institution that holds the accreditations awarded by the three most influential National and International accreditation bodies including AACSB, NBA, and NAAC. These accolades reflect a commitment to academic excellence that I am eager to build upon.

As a testament to our relentless quest for excellence, once again BIMTECH has maintained its position among the best Business Schools of India. According to the latest MBAUniverse.com B- school Rankings 2024, our institute has been ranked 4th among the Top Private B-Schools of North India.

On the programmes front, this year we have launched a path-breaking specialization in Gen AI. Additionally, our existing programs have undergone enhancements with the inclusion of contemporary electives that aptly reflect the dynamic essence and evolving requirements of corporate India.

Academic excellence and rigour in Teaching-Learning are the cornerstones of our institution's excellence. This year has been particularly noteworthy for our research endeavors, with faculty publishing 36 papers in high-quality, peer-reviewed A* and A category journals.
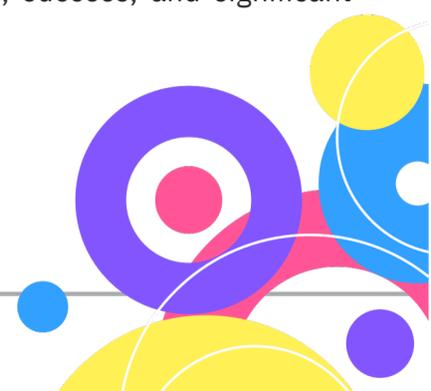

The commitment to diversity is not just a point of pride but a living reality here. I am excited to be a part of a community that welcomes students from around the world, fostering a truly global and inclusive environment.

As we embark on this journey together, my goal is to further elevate BIMTECH as a center of academic excellence, innovation, and inclusivity. I am eager to create an environment where every student can thrive and achieve their fullest potential.

I am deeply honored to be associated with BIMTECH, and I am genuinely excited about the promising opportunities that await us. Here's to a future marked by continuous growth, success, and significant achievements.

Best Regards,

Dr. Prabina Rajib

Message from Chairperson's Desk

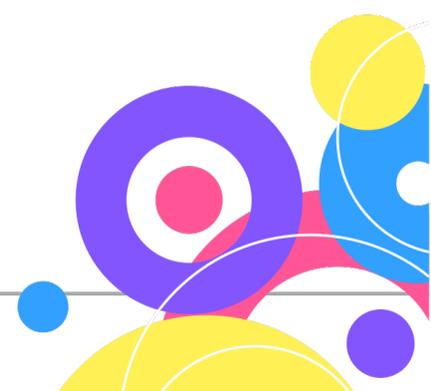

Dear Aspirants,

Greetings and a hearty welcome to the Birla Institute of Management Technology!

I am privileged to lead a dynamic team dedicated to redefining education in the digital age. Our centre stands at the forefront of innovation, leveraging technology to enhance learning experiences and empower students globally. I am thrilled to present the youngest member of the BIMTECH family; COOLS (Centre For Online Studies). The BIMTECH PGDM Online program is the first online program in India which was AACSB-accredited in 2022. This accreditation is the Gold standard worldwide. The PGDM program is offered in the hybrid mode with quality recorded content on the platform and live online classes on weekends.

At BIMTECH, we believe in democratizing education and making quality learning accessible to every aspiring mind irrespective of geographical boundaries. Our online programs are meticulously crafted to blend academic rigor with practical insights, preparing students for real-world challenges and opportunities. We foster a collaborative learning environment where faculty, industry experts, and students converge to exchange ideas, cultivate skills, and shape the future of their respective fields. Through state-of-the-art virtual classrooms, interactive simulations, and personalized mentoring, we ensure that each student receives the attention and resources they need to thrive. As we navigate the evolving landscape of digital education, our commitment remains unwavering: to uphold academic excellence, foster innovation, and empower a new generation of leaders. Together with our stakeholders, we continue to push boundaries, pioneer new methodologies, and set benchmarks in online education. Join us at the Centre For Online Studies at BIMTECH, where learning knows no bounds and possibilities are limitless.

Prof. Manoj Kumar Pant
Chairperson, Centre for Online Studies, BIMTECH

"WE BELIEVE IN DEMOCRATIZING EDUCATION AND MAKING QUALITY LEARNING ACCESSIBLE TO EVERY ASPIRING MIND IRRESPECTIVE OF GEOGRAPHICAL BOUNDARIES. OUR ONLINE PROGRAMS ARE METICULOUSLY CRAFTED TO BLEND ACADEMIC RIGOR WITH PRACTICAL INSIGHTS, PREPARING STUDENTS FOR REAL-WORLD CHALLENGES AND OPPORTUNITIES"
